CNG rickshaw launched

KARACHI: Smoke-free compressed natural gas (CNG) rickshaws were introduced at a World Environment Day campaign Monday.

City Nazim Mustafa Kamal handed over the keys of the rickshaws to buyers at a ceremony held at Bahria Auditorium. An environment-friendly, CNG car, "Alif", was launched by the Transmission Motor Company. With a capacity of four persons, including a driver, the four-stroke, low-noise, economic and strong-bodied car was manufactured according to environmental protection standards. **PPI**
